CORRAL

MR. HARMON WATTS

Principal

STEPHEN F. AUSTIN HIGH SCHOOL

Mr. Watts entered the green and white world of Austin High School to take his place as principal on September fourth. He served as an assistant principal of Jones High School last year and his career has been spent as science teacher and as an administrator in the Houston public schools. Mr. Watts received both his B.A. and his M.A. degrees from Sam Houston State College.

A wide range of experience and understanding of educational programs is reflected in Mr. Watts' daily communication with students, his direction, commendation and participation in their round of activities.

As the gates of the CORRAL swing open to the parade of teachers, students and events of 1968-1969, we believe Austin's cheerleaders say it best for all of us — in resounding good wishes and a victory song.

Congratulations, Mr. Watts, your team is doing fine!

D.A.R. GOOD CITIZENS OF 1969

MISS RUTH GREENHILL

Inside the CORRAL of Austin High School are many wonderful people of high heart and high ideals. You could not begin to string together their pearls of good deeds and devoted teaching but a few words about them will recall how fine and true and strong they were and are . . . continued on next page . . .

MISS MARTHA EVELYN McGINTY

MR. ARCHIE YARRINGTON

MISS RUTH GREENHILL

Miss Ruth Greenhill turned the knob of Austin's door in 1937 and walked right into the spirit of campus life. Her intrepid interest saw her found the Booster club and arrange the designs for the shield, motto, school colors, mascot "Stevie," the names of the newspaper and annual. Whatever Austinites were doing, wherever Mustangs were playing, Miss Greenhill was there.

Miss Greenhill has taught social studies continuously. She was awarded the Valley Forge Freedom Foundation Medal in November, 1962 and the CORRAL dedicated the yearbook to her a few years ago. In January of this year, she left with the 1969 class ring on her finger, a gift and reminder from her homeroom class of her promise to come back and visit often in "the halls of green and white."

* * *

MISS MARTHA EVELYN McGINTY

Miss Martha Evelyn McGinty, a graduate of Rice University with a Master's degree from the University of Texas, has taught Latin at Austin High School since the doors opened in 1937.

Her love for Latin and the ancient Roman classics won a Fullbright scholarship and a year's study in Italy in 1956. Miss McGinty's enthusiastic approach to her subject has infected all her students and has been enhanced by her extensive travels in Europe and Mexico.

She regards the future from the bright window of her Galveston beach house where she can leisurely pursue hobbies of reading and research and writing, music and shell collecting, and cooking for her many friends and her loved family.

One of these days her students feel sure they will read her name on a text book or novel of old Rome. Ave atque valle!

* * *

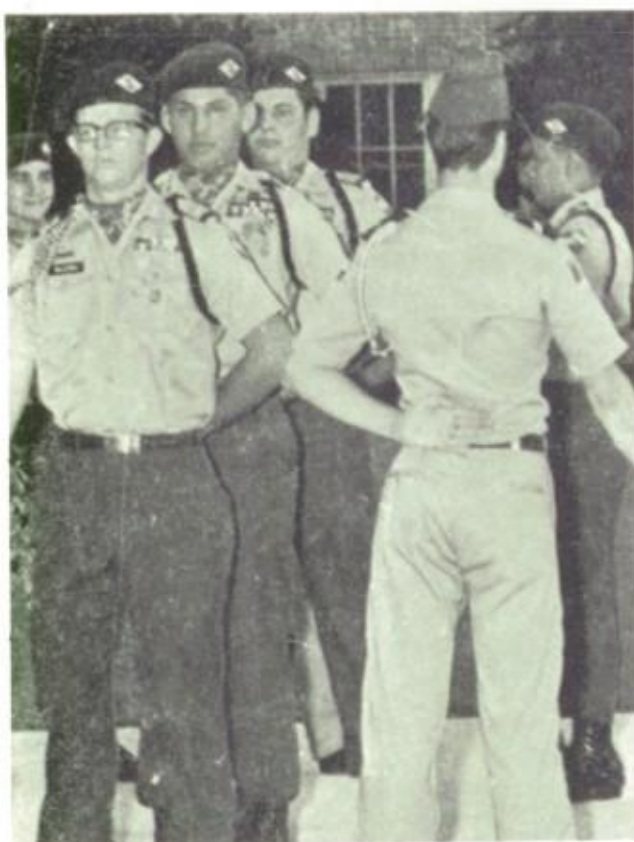

MR. ARCHIE YARRINGTON

What Mr. Yarrington has built, he has built carefully and well. For years his industrial arts courses and architectural drafting have equipped young people for earning a livelihood or entering a career.

Mr. Archie Yarrington attended Rice University, entered service in World War I, then returned to Texas University to receive his B.A. degree in Mechanical Engineering.

Teaching these forty-seven years has been Mr. Yarrington's bridge-building — he can turn from his hobbies of traveling and reading to look with pride down the highways of the future bridged with the good years and good wishes of Austin High.

SPEC/4 RAYMOND G. ROCHA

Spec/4 Raymond G. Rocha, 22, was born January 21, 1946. He died March 11, 1968 in Vietnam. He was the son of Mr. and Mrs. H. H. Rocha of 942 Kress Street in Houston. On January 18, 1969 his parents received his medals of honor, the Bronze Star, Purple Heart, National Defense and Republic of Vietnam medals, Combat Infantry Badge and other medals. He served his country with pride and with distinction.

Cpl. Lawrence P. Ortiz was a popular and capable R.O.T.C. Company A Commander when he was graduated from Austin in 1967. He felt it was his duty to fight for his country and requested active service in Vietnam. His father declared he was willing to make the supreme sacrifice although he had cherished plans for studying medicine later. Larry was fatally wounded near Dong Tam on December 24, 1968. A week later the funeral was held from his parish church, Our Lady of Guadalupe, and closed with an honor guard in Forest Park Cemetery. He was twenty years old. His parents, Mr. and Mrs. L. M. Ortiz, his brother and sisters, received Larry's medals of honor and heroism and citations.

CPL. LAWRENCE P. ORTIZ

Here at Austin where Raymond and Larry were proud members of our R.O.T.C. Battalion, we'll remember their noble efforts and sacrifice to keep our principles of freedom alive.
